

not be available. When a city provides information that is downloadable, the city will be added to the database. We hope that someday, as a matter of routine, all cities will release this information online and in a format that is taxpayer friendly. If the government can spend your money, shouldn't you be able to see how?

## About the Author

*Philip Oehlerking  
Research Assistant*

*Philip Oehlerking graduated from the University of Missouri-St. Louis in 2015 with a bachelor's degree in political science. His research interests include transportation policy and government transparency.*
