The Show-Me Institute is pleased to offer internship opportunities for Fall 2018.

- Internships are open to current undergraduate and graduate students, as well as recent graduates.
- Internships last approximately four months. The exact starting and ending dates are flexible, but we anticipate that each internship will run from September 17 until December 14.
- Fall interns will work a part- or full-time schedule (9 a.m.-5 p.m.).
- Interns will be involved in many aspects of the Institute's operations. Interns will work closely with senior staff on a wide variety of projects. They can expect greater responsibility and personal attention than they would receive at larger organizations.
- Interns will assist staff members with a variety of tasks. These may include researching public policy topics, organizing events, and writing and editing blog posts, newsletters, studies, and other documents. Some administrative and clerical tasks also will be required.
- A Show-Me Institute policy internship is an excellent opportunity to improve your research and writing skills. Each intern will produce regular blog posts and an op-ed on a public policy topic of interest to him or her. Each intern will receive feedback and assistance from SMI staff members throughout the process.
- Policy internships as well as communications and development internships are available.
- Internships are available at the office in St. Louis or Kansas City.

- Interns will be paid on an hourly basis.

Those wishing to be considered for an internship should submit the attached application and the requested supporting materials. **The deadline for applications is August 24, 2018.** However, we will begin conducting interviews as applications are received. Applicants can expect a decision in early September.
