The Show-Me Institute is pleased to offer internship opportunities for Summer 2019.

- Internships are open to current undergraduate and graduate students, as well as recent graduates.
- Internships last approximately ten weeks. The exact starting and ending dates are flexible, but we anticipate that each internship will run from June 3 until August 16.
- Summer interns will work a full-time schedule (9 a.m. to 5 p.m.).
- Interns will be involved in many aspects of the Institute's operations. Interns will work closely with senior staff on a wide variety of projects. They can expect greater responsibility and personal attention than they would receive at larger organizations.
- Interns will assist staff members with a variety of tasks. These may include researching public policy topics, assisting with social media, organizing events, and writing and editing op-eds, newsletter articles, studies, and other documents. Some administrative and clerical tasks will also be required.
- Policy internships as well as communications and development internships are available.
- A Show-Me Institute internship is an excellent opportunity to improve your research and writing skills. Each intern will produce regular blog posts and an op-ed on a public policy topic of interest to him or her. Each intern will receive feedback and assistance from staff members throughout the process.

- Internships are offered in both the St. Louis and Kansas City offices.
- Interns will be paid on an hourly basis.

Those wishing to be considered for an internship should submit the application (see below) and the requested supporting materials. **The deadline for applications is Friday, April 26, 2019.** However, we will begin conducting interviews as applications are received. Applicants can expect a decision in mid to late May.
