

ATTENTION PARENTS!

ARE YOU CONSIDERING VIRTUAL LERNING IN THE FALL?

The MOCAP enrollment process may take several weeks to complete. Students interested in participating in the program during the fall 2020 school year should begin the process immediately by visiting mocap.mo.gov.

MOCAP 101

Missouri public school students can apply for a virtual education program called *Missouri Course Access Program*

- MOCAP is available for K-12 students
- Parents can choose from 10 different education providers
- Students can take all, or just some, of their courses online

MOCAP MAY WORK FOR YOU IF:

- You don't feel safe sending your child back to the classroom because of COVID-19.
- Your child, or someone in your household, has a health condition that makes catching or spreading COVID-19 especially worrisome.
- You are dissatisfied with how your district handled remote learning and would like to prepare your children with a quality online education should schools have to go remote again.
- You believe that an online education fits your child's learning needs better or provides access to a broader range of classes.
