Hi Brooks and Mallory

We will try and coordinate our 4 Commissioners with the dates and times Mallory has indicated below. As soon as I hear back from them I'll confirm how many will be at the August 21st meeting and the August 15th meeting.

Subject: RE: Availability

Hi Brooks,

In NKC, we are available to meet on August 21 at 4:00 pm at City Hall. We are also available to meet on August 15th at 4:00 or 4:30 pm, but the meeting will likely need to be somewhere other than City Hall because we have a Council Meeting at 6:00 pm that evening. Possibly at the Oxbow?

I'm still working on a possible morning time availability and will keep you posted.

Mallory

To: Wright, Dianna <dwright@claycountymo.gov>; Mallory Brown <MBrown@nkc.org>

Subject: Availability

Dianna & Mallory—

I wanted to get back to you both for my availability over the coming days to meet with other city and county officials. Please let me know if schedules allow us to accomplish getting everyone included. For each meeting I would plan that a Populous representative be present and perhaps Edward or someone from his team. Also, we are currently contemplating August 22 as a date we would “unveil” the renderings to the public.

Dianna---I know I owe you a couple more pieces of information I'm trying to get tied down today as to completion and availability. I will get back to you a little later.

Availability:

Aug 14—All day finishing by 3:00 PM

Aug 15—All day

Aug 16---likely unavailable all day; possibly open at 4 but TBD

Aug 17—Available all morning until 12:30;

Aug 21—All day

Thanks,

Brooks

Subject: RE: Availability

Just circling back to these meetings, I have 3 possibly 4 councilmembers who can attend a meeting tomorrow 8/15 at 4:00 PM. We can host the meeting here at NKC City Hall, but we will need to wrap things up pretty close to 5:00 PM.

On August 21st I have 4 councilmembers that can attend but the meeting will need to be at 4:30 PM instead of 4:00 PM. We can also host this meeting at NKC City Hall.

Please confirm that these dates and times work for everyone.
