

Want to Park at the Club?

Saint Louis Club has dedicated parking on LEVEL 5 of our new garage.

1. You'll find **Centene Plaza Parking 4 at the intersection of Forsyth Blvd. & a tiny street called Lyle Avenue** – the first stoplight east of the intersection of HANLEY ROAD & FORSYTH BLVD. Lyle dead ends right into our garage;
2. Take a ticket at the gate;
3. As you enter, take an immediate right up the ramp;
4. Proceed to garage LEVEL 5. You'll see the Club's familiar gold & black-olive color combo and our shield & crown logo on the wall.
5. The elevator on that floor opens right into the Club (on the 3rd floor of the building -- a little confusing that the 5th Floor of the *garage* BECOMES the 3rd Floor of the *building* when you cross through the elevator lobby, but, we promise you'll get the hang of it;

6. If you park on *another* level of the garage, take the elevator to access LEVEL 5, and enter the Club there;
7. For *now*, bring your parking tickets *with* you into the Club, so we can validate them.
8. Eventually, members will receive a badge you may keep in your car. Press it against the 3"x 6" black security panel on your way in and out of the garage, and the gate will lift automatically.

PARKING NOTES:

- As you make your way up to our level of the garage, when you pass the elevator lobby for LEVEL 4, you'll encounter *another* small gate with a security panel. Just drive on through. The arm will always be up.
- You'll find the turns in our new garage a little tighter than our *old* ones, so be sure to keep right on your way up and down.
- To keep us all safe, you'll encounter speed bumps as you drive up and down, so, word to the wise, don't hold or keep an open beverage in your cup holder if you want to avoid sloshing.

COMING TO THE CLUB ON TWO FEET VS. FOUR WHEELS?

Right this way ...

If you arrive on foot:

1. Come through the big revolving doors at 7676 Forsyth Blvd.
2. Step partway into the Centene lobby (but not *all* the way to the Security desk).
3. Right inside the revolving doors, look to your left. You'll see an elevator lobby.
4. Take one of those elevators to 5.
5. When you step off the elevator, you'll be at the main entrance of the Club.
